2021 Warrior Commitment Form

Parental Involvement

TCW is a parent-run organization of volunteers. Every coach, board member, and person working at games, practices, and events are volunteers. By signing up to participate in TCW, you are signing up to actively participate as a volunteer. Our Volunteer Director will be making everyone aware of volunteer opportunities throughout the year.

Financial Commitment

TCW is a 501c-3 non-profit organization that runs on athlete fees. Your fees are required to pay for everything that makes TCW run; uniforms, equipment, technology, fields, referees, medical supplies, marketing, and much more are all paid from fees. All fees must be paid on schedule or the athlete will not be permitted to participate with the team. If you have a financial hardship, please notify the treasurer at treasurer.tcw@gmail.com and we will try to work with you to make agreeable arrangements. Fees are non-refundable.

Homeschool Commitment

TCW exists to provide football and cheer opportunities to homeschool families. By signing up you are agreeing that you are currently homeschooling the TCW participant(s) and understand TCW adheres to a no-pass, no-play policy. TCW may permit a small percentage of athletes from a vetted private school without a football program to try out for the team as well.

Code of Conduct (athletes and Parents)

1. Athletes and parents will promote respect for coaches and coaches' authority.
2. Athletes and parents will exercise self-control, respect, grace, and good sportsmanship toward teammates, coaches, opponents, officials, and each other.
3. NO profanity, physical fighting, drugs/alcohol/tobacco/vaping (or other similar activity), disruptive behavior, inappropriate behavior with the opposite sex (per judgment of coach or board member), suggestive or offensive language, gestures, innuendoes, or jokes.
4. NO public display of affection between a player and a female at a TCW event regardless if they are or are not part of the TCW cheer squad. **PDA**, or public display of affection, is the term used to describe any form of physical contact between couples in a public setting. It includes everything from kissing and cuddling to holding hands or exchanging light touches.
5. NO booing, abusive or belittling language, complaining, heckling of teammates or members of the opposing team, coaches, officials, parents, etc.
6. NO horseplay during game time, or preparation for games or practice.
7. If the use of cellphones, headphones, or other similar devices during game time, preparation for games, or practice is deemed a distraction by the coach, you will be asked to put it away.
8. NO complaining about teams, athletes, coaches, parents, etc. out loud or to others during practice or games.
9. Christian character is expected of all athletes, parents, and coaches. Conduct that is blatantly un-Christian will not be accepted. This also includes social media and anything that reflects upon TCW.
10. Because we, as parents are role models for the athletes, we expect all parents and their families to maintain the same or higher code of conduct.

11. Athletes and parents are committing to fostering unity within the TCW organization. Creating division, sowing discord, and/or bearing false witness will not be tolerated.
12. Athletes will maintain a positive, teachable attitude no matter how fair they perceive the officiating to be or whether we win or lose.
13. Athletes and parents will use wisdom on social media and will not post anything that could be deemed inappropriate with the standards and values set forth by TCW especially while in TCW attire and at any TCW sponsored event.
14. Athletes will demonstrate discipline by following the rules that coaches establish.
15. Athletes will approach the coach with any questions or concerns before/after practice or during breaks.
16. Athletes will promote good sportsmanship through their words and actions; striving to never speak poorly of a fellow teammate or criticize the coaches.
17. Athletes can be asked to take a drug test, and failure to do so is an assumption of guilt.
18. Athletes must follow the dress code in the Handbook and any further instructions given by the coach.

Attendance Policy

1. Attendance at games and practices is mandatory, with the athlete only being excused by the athlete calling the athlete's respective head coach or assistant coach to convey the reason for the absence. We realize that there are many activities in the lives of home school families. For a young man/woman to be a contributing member of the Warriors, they must make practice a serious priority. Coaches should not have to initiate contact to determine athlete availability for games or practices. It is the athlete's responsibility to contact the coach.
2. Athletes are expected to be on time for all games and practices. On-time means appropriately dressed and ready to play or practice at the time the coach has designated for each game or practice.
3. Coaches are encouraged (but not required) to consider faithful attendance as a factor when weighing the merits of a particular athlete's playing time.
4. Parents must remain off the field at all times, unless invited by a coach or as part of their volunteer responsibilities.

Authority Policy

1. When the athletes are on the field, the coach is the responsible authority figure for that team. Parents and fans are expected to leave the coaching to the coaches unless otherwise requested. There will be no coaching by anyone other than TCW board-approved coaches during practice or game time unless other specific arrangements are made. Violation of this rule may result in the athletes being benched during the game and in the disciplinary measures outlined above.
2. Athletes are encouraged to obtain private coaching and conditioning outside of designated practices and games. However, during TCW practices or games, the TCW coaches have the final say over the athlete's technique. If there is a discrepancy between what a TCW coach and a private coach teaches a TCW athlete, the athlete or parent may address their concerns to the coach or athletic director, but not immediately before, during, or after a game.
3. Any disrespectful behavior towards the coach by a parent or athlete is grounds for disciplinary measures.
4. TCW coaches have the authority to establish or abolish any team rules.

Conflict Resolution

I understand and agree to abide by the following conflict resolution process; per Matthew 18 guidelines, if you have a problem with someone, you go to them directly – do not gossip or complain to others.

- a. If you have a problem with a parent or athlete, talk with that parent or the athlete's parent (outside of practices and games) to seek a resolution. We expect that you allow at least 24 hours to pass before engaging with either the parent or athlete so that both parties are in the right frame of mind.
- b. If an athlete has an issue with the team or coaching, they are to go to their position coach first, then coordinator, then the head coach. If no resolution is had, they can bring it to the Board President.

- c. If a parent has an issue with a coach, they are to wait 24 hours and approach the coach at an appropriate time per guidelines and attempt to resolve the issue. If no resolution is had, they can bring it to the Board President.
- d. Our coaches are interested in your athlete's development not only as an athlete but also in their personal character and the coaches are open to communication that will assist them in this area. In order to assist in these efforts, no coach is to be approached prior to or during a game or practice. The team meeting at the conclusion of practice or game is considered a part of the practice or game. We expect that the same 24-hour rule above is followed.
- e. Please do not take your issues or concerns about the team or any coach up with other coaches, parents, or athletes. (Matthew 18:15-17).
- f. Head coaches may implement a specific day/time for issues or questions to be brought to them on a regular basis.
- g. If there is still no resolution; the grievance will be brought before the TCW Board and the Board's decision will be final.

Disciplinary Measures

Whenever an individual violates policy or rules, the following are the disciplinary measures that may take place at the coaches' and/or Board of Director's discretion. In the spirit of Christian brotherhood, if an offense is toward an individual or group, an apology is in order and may be required.

1. Documented discussion with the athlete and/or parent with the coach and/or board member as appropriate.
2. Physical activity – running, push-ups, etc. as directed by the coach.
3. Loss of playing/practice time.
4. Probation, suspension, dismissal, or ban. Depending on the severity and/or frequency of the violation by the athlete or the parent:
 - a. Probation may involve loss of privileges and exclusions from sports activities or the use of the facility.
 - b. Suspension is the removal from the roster with an option to return after a specified period. Suspension may require the offending individual to leave the facility immediately.
 - c. Dismissal results in removal from the team and is the last resort. The dismissed person is prohibited from participating in any TCW activity. Dismissal requires approval from the Board of Directors.
 - d. Ban is due to dangerous or criminal acts and could result in a police report being filed.
5. Refunds will not be given for athletes dismissed or banned for disciplinary reasons.

Coaching Philosophy

1. Parents and athletes are reminded that this is a competitive program. Coaches are neither required nor encouraged to get every athlete into every game/position. There is no guarantee of playing time or position. Playing time/positions will be based on skill sets, hustle, ability, character, performance, and attitude towards teammates, coaches, parents, and others. Grade level and seniority on the team will not guarantee an athlete a starting position.
2. We are not a win-at-all-costs organization. Our goal is to provide a high-quality, competitive program while focusing on being young men & women of character and principle. We want our young men & women to grow both physically and spiritually. Attitude plays an important role along with talent in the coaches' decisions regarding playing time. If an athlete's attitude becomes a problem, disciplinary measures will ensue, and playing time will suffer, regardless of ability.
3. The coaches' goal is to provide a positive, encouraging environment during practices and games. However, there will be times when individual and/or team disciplinary measures are necessary. Sometimes this requires challenges both physically and emotionally. Sometimes this requires tough speech. The coaches will not degrade the athletes or use inappropriate language, but it is sometimes necessary to admonish athletes individually or as a team.

VOLUNTEER POLICY

The Tomball Christian Warriors rely heavily on the participation of each family in order to facilitate all activities.

Over 35 volunteer positions are needed for each Varsity HOME game. Over 20 volunteer positions are needed for each JV and Jr. High HOME game.

Each family is responsible to sign-up for game day duties. A separate Volunteer Registration will be sent to you once you have registered with TCW, and your player(s) will not be allowed to participate in Team Events until your Volunteer Registration is complete.

Weeklong Practice Water Duty is also required for each TCW family (per player), and participation does not exempt a family from volunteering for game day duties. This is a tough job that requires more than one strong family member. There will be training made available on how to perform practice water duty. You must be on time and fully prepared. We do offer a "Buy Out" option so we can pay to have someone fulfill your Volunteer Duties.

Once Volunteer Registration is complete the Volunteer Coordinator will produce a schedule and e-mail it to the team. Volunteers are required to sign in at the gate on game day with the Team Coordinator. Volunteers who are unable to fulfill their obligation at any game must contact the Volunteer Coordinator within 24 hours before the game and are responsible for finding a replacement.

VOLUNTEER OPT-OUT INFORMATION

Volunteer Opt-Out is an option for parents that cannot contribute to the TCW volunteer requirements. Please add the appropriate fee (\$500) in the registration section if you choose this option.

Water Duty Opt-Out is an option for parents that cannot work the one practice week (per player) required for each family during the season (which includes Spring and Fall). This is a tough job and does require active movement for the entire practice. Please add the appropriate fee (\$200) in the registration fee section if you choose this option.
