2021 Junior High and Varsity Football Registration Meeting

Mission Statement

The Tomball Christian Warriors are a Christian-based, homeschool support organization that focuses on developing Godly men and women through competitive sports, striving for excellence in competition, character and ministry as to be an example of Christ throughout our community and around the world.

Do not waste time arguing over godless ideas and old wives' tales. Instead, train yourself to be godly. Physical training is good, but training for godliness is much better, promising benefits in this life and in the life to come.

1 Timothy 4:7-8

Finishing What We Started

Warrior Firsts Last Year:

- Beat a 12 Yr. Varsity Public School — Beat Thrall 26-8; Weimar 34-2
- Beat Houston Christian
- Beat Rosehill Christian
- Won First Game of National Championship Bracket in dominating fashion—TCW 34-Tulsa Noah 14
- Made it to National Championship Game and Nearly Won it All - Lost with 57 seconds left
- Highest Warrior finish in the State of Texas -- 757

Finishing What We Started

Winning the Homeschool National Championship:

We are returning 8 starters on Offense and 6 starters on Defense

Every starter comes back bigger, faster, stronger and better at his craft

Our returning backups and JV players step up into starting/contributing roles

We have a great opportunity to return and win the National Championship

How to Make That Happen

Commit to 3-5 workouts per week with someone who pushes you past where you are

Focus on diet to put on mass

Increase muscle mass with significant lifting routine

Get quicker and faster in straight speed, agility, and footwork

Develop your craft by working on position drills and skills and asking your position coach where you need to improve to start / get more playing time

Expectations

A “God First” perspective

Always come ready to work - set a champion's example

Put your team first in all things - Givers Gain, Sowing and Reaping

Be teachable and respectful

Get your private world in order!

TOM BALL CHRISTIAN
WARRIORS

Personal Player Responsibility

- Engaged in an offseason Workout Plan
- 3-5 Workouts per week, preferably guided by experienced trainer/group.

- Offseason Training Camps to Work on Skills, i.e. QB camps, Skills Camps at Baylor, A&M, U of H.

- Offseason Goals of Growth in Speed, Muscle Mass, Flexibility and Strength.

- Playing time is not guaranteed to anyone. Assume that playing time is earned by hard work and dedication in the offseason and in season.

- Being at all team events, practices and games is essential. Football is a team sport & the team is only as strong as the individual's commitment to the team.

4 More Nuggets:

Stealth and Field Level and Div.1 Recruiting

Love being a team and don't create drama!

We are going to be uploading drills onto Hudl for all positions - look for those

Don't talk trash. Beat the other team soundly and let your performance speak for itself. Then tell them about the Jesus who holds your life together.

Sponsorships

BECOME A SPONSOR OF THE TOMBALL CHRISTIAN WARRIORS

Dear Potential Sponsor,

Tomball Christian Warriors (TCW), is a non-profit (501c3) organization that helps homeschooled, youth football players and cheerleaders achieve their dreams of competing in the sports they love. TCW has been training athletes for the last 12 years. Our football team Won the State Championship in 2016, and in 2018 and 2019 we competed in the National Homeschool Football Tournament held in Panama City Beach, Florida. Last year in 2020 we competed in the Homeschool National Championship game, but lost by a narrow margin. But, we strive to make it back to the Championship game this year to hold the title of the "Number 1 Homeschool Football Team in the nation!"

Every year, TCW conducts fundraisers to help athletes with the financial burdens associated with playing and competing. These young athletes train many hours each week to reach their goals. We would greatly appreciate your support of our organization. Your financial sponsorship would make 2020 an exciting year for our community and these athletes. In return for your donation, we will advertise your business in numerous ways as detailed in the attached Sponsorship Matrix. Additionally, we will be happy to provide you with a receipt and Tax ID number for your tax purposes. Our Mission: The Tomball Christian Warriors is a Christian-based, homeschool support organization that focuses on developing Godly men and women through competitive sports, striving for excellence in competition, character and ministry as to be an example of Christ throughout our community and around the world. If you have any questions, please feel free to e-mail us at the email listed below. Thank You in advance for your generosity and support of our TEAM – Together Everyone Achieves More.

Sincerely,

2021 Organizational Needs

From season to season there are different items needed as they outlive their life cycle. These items help us achieve our goals as an organization. Below is a list of items needed for this year:

<u>Item</u>	<u>Justification</u>	<u>Cost</u>
Tackling wheels (2)	These wheels help with teaching our boys the proper way to tackle in order to not get themselves injured. Our wheels are over 5 years old and the outer covering has completely fallen off to where the stuffing is coming out.	\$400 each
Team Trailer	We need this to carry items to games such as hydration stations (larger than water coolers), large video booms for recording the games, sideline fans and EZ ups, footballs, first aid equipment, cheer megaphones, and spare football gear in case some breaks during the game. Right now, those items are dispersed amongst different families and/or trailers have to be rented/borrowed to the tune of \$200 per occurrence in order to transport the necessary items to games. This is an opportunity to have a sponsor's information on the trailer which could be seen repeatedly by hundreds of families per week at the Farm League where the trailer is parked. That is some consistent advertising!	\$3,700
New Uniforms	Our existing uniforms are 5 years old and are too thick and hot for our Texas weather. There are new fabrics that are lighter, breathe better, and are harder to grab by our opponents when being blocked or tackled. Plus, these newer uniforms are less expensive, which allows for a lower cost of entry for our families. We are seeking sponsors to help offset the cost to our existing families who own the current uniforms, but need the ones, which will be a requirement since they are a totally different look. The responsibility will be \$210 per football player and \$300 per cheerleader without offsetting donations.	\$8,000
Mascot Uniform	This will be TCWs first Uniform for its Mascot	\$1,000
Inflatable Tunnel	For the team to run through before each game	\$3,900

Thank you for your consideration!

Please contact Jeff Conn, Executive Director @ sponsorship.tcw@gmail.com
